Prayer

May I enter by the practices of the presence of God, into consciousness of God in the Spirit, of God who is within. Let my heart be filled with holy expectation, and I shall hear in a high symbolism the Divine Voice speaking in the Universe, the Christ-Spirit giving testimony concerning Itself, and concerning the Path of Attainment.

A.E. Waite

.....

Lord, my first fruits present themselves to Thee:
Yet not mine neither, for from Thee they come
And must return. Accept of them and me,
And make us arrive who shall sing best Thy name.

George Herbert
